

STEP 1

Select the "Rx Made Easy by 3M" button to access the program. Choose the "Click Here To Request Eyewear" link and enter your Company Name, Safety Source Account #, P.O. #, Employee's Name, and Manager's Email.

Ordering prescription safety eyewear has never been easier! Safety Source offers professionally fitted Rx Made Easy by 3M eyewear, which meets ANSI Z87.1-2010 Standards, with over 50 stylish frames to choose from.

STEP 2

Choose an Eyewear Package and click the "Submit" button:

1) \$163 Basic Package Includes:

- 3M plastic frame with polycarbonate lens
- Single, bifocal, trifocal, occupational, progressive lens
- Scotchgard™ Easy Clean or Anti-Fog lens coating
- Solid or Gradient tint
- Sideshields, fixed or detachable
- Eyecare professional fitting services

2) \$195 Enhanced

Same as Basic Package, with choice of 3M's titanium or stainless steel frames

3) \$92 Photo/AR coat

Optional sunglass upgrade, to Transitions® (Photochromic) lenses which lighten and darken with changing outdoor light conditions or Anti-Reflective (AR coated) Polarized Lenses for reducing outdoor glare.

4) \$298 Resp Insert Package

Package includes prescription eyeglass frame and rail assembly for use in full face respirators, so spectacles can be moved up, down, in or out to obtain optimal fit and vision.

Safety Source will send a custom order form for you to bring to one of the professionals in our dispensing network.

STEP 3

Select a nearby independent eyecare professional using the search tool on the web site. Bring your Safety Source custom order form to the chosen provider who will assist you with frame selection and accurate sizing. After your glasses are completed the professional will ask you to return to pick up your glasses and a final fitting.
